for President, Vice President, Secretary, Treasurer.

Presented By

PDG Craig Donecker littlegiant@greatbend.com

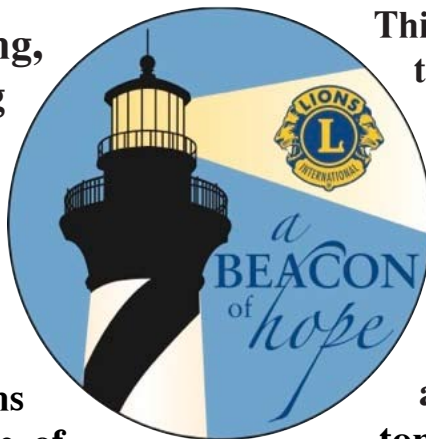

We will be conducting our first CERTIFIED CLUB OFFICER LEADERSHIP TRAINING of the 2010-11 club year on Saturday, September 25, 2010, from 12:00 noon to 3 p.m. at Montana Mike's, 906 McKinley in Great Bend.

Your "Lunch" will be reimbursed up to \$6 per participant, and milage will be paid for one car from each Lions Club represented.

Join us for a stimulating, exciting and challenging experience to learn vital Lions Club information and leadership skills to strengthen you and your club.

THIS IS A MUST for all Lions who hold the important office of Club President, Vice President, Secretary or Treasure. It is your time to take the reins of your club. The purpose of this training agenda is to help you make and finalize your plans for your year of leadership. This will be a give-and-take session where we can get your input and recommendations to improve Lionism in our clubs and district. This preparation will assist you in accomplishing your plans and goals during your term as club officer.

-Our New PRIDE Requires

New Leadership Skills-

As never before in Lions Club, this is a New Time for an organization with Re-discovered Lions Pride! Even if you have held your office in the past, this workshop is important not only as a refresher, but to learn new and fresh ideas to lead your club in this new and exciting time.

International President Sid Scruggs' theme for the year is 'Beacon of Hope!'

This program challenges all Lions to move forward while renewing our quest for excellence. This is truly a global plan to improve Lionism. However, to achieve Lions' goals, we must adapt and implement the plan.

We are at the beginning of a new *Lion's Year*. Let's make tomorrow better for our members and our communities.

Club Officers who complete this training will receive certificates designating them as *Certified Lions Club Officers*, and given other honors and privilages that will be officially sanctioned by the 17-L Cabinet.
